**BRIDGING THE GAP:
COLLABORATING AND AMPLIFYING OUR VOICES**

WELCOME!

Dear Colleagues,

On behalf of the 2026 ASHT Annual Meeting Committee, it is my pleasure to extend a warm invitation to our 49th Annual Meeting — held for the first time in Milwaukee, Wisconsin. This year's theme, *"Bridging the Gap: Collaborating and Amplifying Our Voices,"* reflects our continued commitment to sustaining and advancing our specialty. Together, we will explore how the small, intentional actions we take each day can create meaningful impact for both our field and the patients we serve. We will challenge ourselves to pursue excellence in care while identifying practical and attainable ways to elevate the visibility of our vital work.

Our program promises to be both dynamic and comprehensive, beginning with our third annual Pediatric Specialty Day, thoughtfully developed by Co-Chairs Jemerie Hopkins, MSOT, CHT, and Karen Ayala, MSOT, CHT. This day will feature an exciting keynote address by Isabelle Renard-Fontaine, a world-renowned specialist in neuromodulation for pediatric upper extremity conditions.

The main meeting will follow, showcasing an exceptional breadth of high-quality content. We are grateful to all who contributed submissions, helping to shape a rich and engaging program. Highlights include interactive Pre-Conference Institutes, more than 40 concurrent instructional sessions, clinical posters, cutting-edge scientific presentations and impactful plenary sessions. Our exhibit hall will also feature the latest innovations in hand and upper extremity therapy, including virtual reality platforms, orthotic and prosthetic solutions, documentation tools and more.

Our plenary sessions are designed to inspire both excellence and advocacy. The opening panel — featuring passionate hand therapists and surgeons — will explore how attention to the "small things" can drive optimal outcomes in flexor tendon injuries. International perspectives on the management of hypermobility disorders will be shared by Dr. Marta Jokeil. Finally, our Presidential Invited Lecture will highlight the power of community impact, with Mr. Will Allen illustrating how small actions can lead to transformative change and encouraging us to consider how we, as therapists, can continue to move our specialty forward.

I look forward to connecting with colleagues and experiencing the vibrant community of Milwaukee. The meeting will take place in the South Building of the Baird Center, conveniently located in downtown Milwaukee and directly across from our host hotel, the Hilton Milwaukee. While in the city, I encourage you to explore the lakefront, attend a local festival, enjoy a brewery tour or experience the city's renowned culinary scene. For more information, please visit Visit Milwaukee or explore social media using #VISITMKE.

I hope to see you in Milwaukee.

ASHT 2026 Annual Meeting

ASHT IN MEMORIAM

ASHT recognizes the loss of members of our community annually during the Annual Meeting. This recognition occurs with the names of members from the hand and upper extremity therapy community who have been lost that year followed by a moment of silence. Members can provide the names and photos of colleagues lost by completing the member tribute webform: <https://asht.org/form/asht-in-memoriam>.

The ASHT Board of Directors reserves the right to recognize the passing of a member in additional frameworks as they deem appropriate.

ONE MEETING, TWO EXPERIENCES

We are excited once again to offer in-person and virtual registration options for the ASHT Annual Meeting. Select sessions will be recorded and available through the ASHT on-demand platform by November 10. Join us for the most versatile hand and upper extremity therapy conference program available — participate in person or view on demand for an educational experience that caters to you. As an extra bonus, in-person attendees will also have access to recorded sessions through the on-demand platform.

IN-PERSON SCHEDULE OF ACTIVITIES

(SUBJECT TO CHANGE)

ON-SITE REGISTRATION HOURS

Wednesday, October 7	7:00 AM – 6:00 PM
Thursday, October 8	7:00 AM – 7:30 PM
Friday, October 9	6:00 AM – 6:30 PM
Saturday, October 10	6:00 AM – 7:00 PM

ON-SITE SCIENTIFIC SESSIONS

WEDNESDAY, OCTOBER 7

Pediatric Specialty Day (ticketed event)	7:45 AM – 5:00 PM
--	-------------------

THURSDAY, OCTOBER 8

Pre-Conference Institutes (ticketed events)	7:30 AM – 11:30 AM
Annual Meeting	12:30 PM – 7:00 PM
Opening Reception in Exhibit Hall	7:00 PM – 9:00 PM

FRIDAY, OCTOBER 9

Annual Meeting	8:00 AM – 6:30 PM
----------------	-------------------

SATURDAY, OCTOBER 10

Annual Meeting	8:00 AM – 7:15 PM
----------------	-------------------

ON-SITE EXHIBIT HOURS

THURSDAY, OCTOBER 8

*Opening Reception	7:00 PM – 9:00 PM
--------------------	-------------------

FRIDAY, OCTOBER 9

Open Hours	9:00 AM – 5:00 PM
*Morning Coffee Break	10:15 AM – 10:45 AM
*Lunch	12:15 PM – 1:45 PM
*Afternoon Coffee Break	3:45 PM – 4:15 PM

SATURDAY, OCTOBER 10

Open Hours	9:00 AM – 1:45 PM
*Morning Coffee Break	10:15 AM – 10:45 AM
*Lunch	12:15 PM – 1:45 PM

* Dedicated hall hours (does not compete with scientific sessions)

VIRTUAL ATTENDEE INFORMATION

Virtual registration for the 2026 Annual Meeting includes:

- Access to select recorded sessions through the ASHT on-demand platform
- Access to e-Posters during and after the conference
- Access to the online exhibit hall during and after the conference

Please note: There will be no livestreamed sessions for virtual attendees. While not all Annual Meeting sessions will be recorded, on-demand content is expected to include approximately 22 sessions, allowing virtual attendees the opportunity to earn the same number of CE hours (21.75) as in-person registrants. Recorded content will be posted to the on-demand platform beginning November 10, 2026. Access will be available through September 1, 2027. All attendees are expected to claim continuing education hours and retrieve their certificates by January 31, 2027.

SUBMIT SESSION EVALUATIONS AND RETRIEVE CE CERTIFICATE

November 10, 2026 – January 31, 2027

WATCH RECORDED SESSIONS ON THE ON-DEMAND PLATFORM

November 10, 2026 – September 1, 2027

Attendees can continue to watch recorded sessions from February 1 through September 1, 2027, but CE credits will not be awarded.

OVERVIEW

The American Society of Hand Therapists (ASHT) is proud to present its 49th Annual Meeting. The 2026 program will emphasize evidence-informed practice for rehabilitation of the hand and upper limb. Presented by distinguished faculty known regionally, nationally and internationally, the format and content will encourage the exchange of new scientific and clinical information to facilitate best practice and improve patient outcomes in hand and upper extremity therapy. The program includes topics such as:

- Novel scientific research & clinical practice tips in platform and poster sessions
- Hand and upper extremity therapy practice considerations – reimbursement, legislation, regulation and advocacy
- Clinical topics covering relevant anatomy, surgery, and updated rehabilitation strategies

TARGET AUDIENCE

ATC – Certified Athletic Trainer

COTA – Certified Occupational Therapy Assistant

OT – Occupational Therapist

PT – Physical Therapist

PTA – Physical Therapy Assistant

INSTRUCTIONAL LEVEL

- Entry
- Intermediate
- Advanced

COURSE ACCREDITATION *

This continuing education activity offers a maximum of 33.5 continuing education hours or 3.35 CEUs.

Annual Meeting Educational Program – 21.75 CE hours

Pediatric Specialty Day (ticketed event) – 6.75 CE hours

Pre-Conference Institutes (ticketed event) – 4 CE hours

AHTF Scholar Lecture (ticketed event) – 1 CE hour

Visit <https://meetings.asht.org> for additional accreditation information.

TAX INFORMATION

As a 501(c)(3) organization, the national dues or education registration fees are not deductible as a charitable contribution for federal tax purposes. However, they may be deductible as ordinary business expenses. Please consult your financial advisor.

PREREQUISITES

None

ABSTRACTS

Abstracts selected for the ASHT 2026 Annual Meeting will be presented in plenary and poster sessions that will highlight the most outstanding papers from a variety of subspecialties relating to hand and upper extremity therapy. Selected abstracts will be published in the *Journal of Hand Therapy*, the official journal of ASHT.

LEARNER OBJECTIVES

Upon the completion of the the ASHT Annual Meeting, participants will be able to:

- Integrate hand and upper limb treatment plans based on evidence, research and instruction.
- Construct new strategies and clinical ideas to improve patient outcomes through inter-disciplinary collaboration.
- Employ innovative treatment ideas into clinical practice for a variety of clinical conditions.
- Discuss and implement current legislative and regulatory policies into clinical practice.
- Discuss and implement leading business and operational practices into clinical practice.

EXHIBITS AND E-POSTERS

Educational and informational exhibits will be available to visit in the exhibit hall during the ASHT Annual Meeting. Representatives will be on hand to answer questions and

discuss their innovative products. An exhibitor directory will be available in the ASHT on-demand platform for continuous communication with our exhibitors. e-Posters will be available throughout the conference and will be accessible through the on-demand platform. Kiosks will be available in the exhibit hall to view e-Posters electronically. There will be no physical posters for presentation. Please explore the exhibits and e-Posters, as they are an integral part of the meeting.

PRESENTATION SLIDES AND HANDOUTS

Presentation slides and handouts will be available to registered attendees through the ASHT 2026 Annual Meeting mobile app and the ASHT on-demand platform. All session materials are the original works of the speakers and reproduction or use of these materials must be cited in any personal use.

*PLEASE NOTE: While speakers are encouraged to provide handouts, it is NOT a requirement. Not all sessions will have handouts based on the speakers' choice.

MOBILE APP

ASHT will offer a mobile app to all registered attendees. The app will help you plan your conference program, view session handouts and take notes during sessions. The app is available for smartphones and tablets with Apple and Android platforms.

ACCESSIBILITY SERVICES

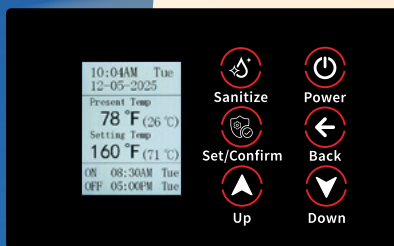

The American Society of Hand Therapists wishes to take steps to ensure that no individual with accessibility needs is excluded, denied services, segregated, or otherwise treated differently than other individuals because of the absence of auxiliary aids or services. If you need any auxiliary aids or services identified in the Americans with Disabilities Act, or any assistance in registering for this conference, please contact the ASHT Meetings Team at meetings@asht.org.

As is our policy, it is the responsibility of the attendee to make any accessibility needs known prior to attendance at the conference. Advance notification provides ASHT adequate time to ensure that it can arrange for requested services.

Splint-Form™ 2000

The next generation.
The brand you trust.

Easy-to-use
digital control panel.

- Accommodates full arm splints.

Do your patients have wrist or thumb pain during exercise?

Invented by an OT, Wrist Assured Gloves patented gel pad design reduces wrist extension to ease wrist and thumb pain when supporting weight on the hands.

Wrist Assured Gloves have benefited thousands of customers with thumb arthritis, tendinitis, carpal tunnel syndrome, limited range of motion and more. WAGs innovative design gives them back their exercise routine – free of wrist or thumb pain!

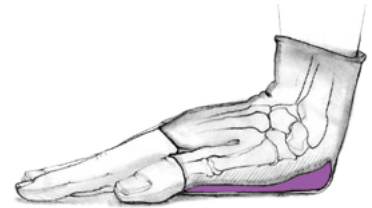

"I had wrist discomfort from teaching Pilates. Since wearing WAGs, I have minimal to no discomfort when weight bearing on the mat or reformer. I highly recommend WAGs before my clients have any wrist discomfort". – Lynn Evans, Pilates Instructor & OT hand therapist

Wholesale starter packages available:

800-606-4577 | getwags.com

All WAGs come with a 30 day money back guarantee.

GRIPMASTER REHAB NOW ON AMAZON

The original spring-loaded finger piston system.

We offer 6 color-coded models with graduated resistances.

REGISTRATION CATEGORIES

We are excited once again to offer in-person and virtual (on-demand) registration options. In-person and virtual attendees will have access to recorded on-demand sessions after the completion of the in-person meeting through September 1, 2027.

Current ASHT members can register for the meeting at reduced rates. Become a member of ASHT and register at the reduced registration rate by choosing the Education Plus package during the registration process. Please visit www.asht.org to view a full list of member benefits.

Full Meeting Registration	Applicable for current members or nonmembers who do not wish to obtain or renew membership at the time of registration.
Education Plus Registration	Applicable for members or nonmembers who wish to obtain or renew membership with ASHT at the time of registration. This fee includes the meeting registration fee at the member rate and the applicable membership fee based on your current membership status. Current Members: Education Plus fee includes member rate of meeting registration and 2027 membership dues. Nonmembers: Education Plus fee includes member rate of meeting registration and ASHT membership through December 31, 2027.

*The in-person meeting registration includes access to all educational sessions at the meeting, the Exhibit Hall, Opening Reception on Thursday evening and access to the on-demand platform following the conference. Full meeting registrants are eligible to receive up to 21.75 continuing education hours for participating in all available educational sessions and up to 33.5 total continuing education hours if a Pediatric Specialty Day, Pre-Conference Institute and the AHTF Happy Hour with a Scholar tickets are also purchased at the time of registration.

*Virtual registration for the 2026 Annual Meeting includes access to select recorded sessions through the ASHT on-demand platform, e-Posters, and online exhibit hall during the conference.

Please note: There will be no livestreamed sessions for virtual attendees. While not all Annual Meeting sessions will be recorded, on-demand content is expected to include approximately 22 sessions, allowing virtual attendees the opportunity to earn the same number of CE hours (21.75) as in-person registrants. Recorded content will be posted to the on-demand platform beginning November 10, 2026. Access will be available through September 1, 2027. All attendees are expected to claim continuing education hours and retrieve their certificates by January 31, 2027.

TICKETED REGISTRATION ITEMS

PEDIATRIC SPECIALTY DAY FOR IN-PERSON AND VIRTUAL ATTENDEES

We are offering a Pediatric Specialty Day on Wednesday, October 7 from 8 AM to 4 PM at the Baird Center in Milwaukee, WI. You can register for just Pediatric Specialty Day or you can add 2026 Annual Meeting registration.

PRE-CONFERENCE INSTITUTES FOR IN-PERSON ATTENDEES

ASHT offers Pre-Conference Institutes on Thursday, October 8, prior to the official start of the Annual Meeting. These educational sessions offer intense hands-on learning highlighting current hand and upper extremity topics. These sessions are ticketed and require pre-registration.

ADDITIONAL EXHIBITOR BADGES

Additional exhibitor badges are \$175 each. Exhibitors who need additional badges for booth staff should contact Amanda Bray at abr@asht.org to receive a promo code for a discounted registration fee.

HOW TO REGISTER

We are excited to provide in-person and virtual (on-demand) attendance options again this year. This format will accommodate all attendees whether they are joining us in Milwaukee or need the flexibility of the on-demand viewing option. During the registration process, you will be asked if you are attending in person or virtually. All attendees will have the access to view recorded session through the ASHT on-demand platform after the Annual Meeting.

WEB

Register for the Annual Meeting and sign up for ASHT membership at <https://meetings.asht.org>.

Payment must be made by credit card. If paying by check, please select the 'Pay Later' option. Registrations submitted online are not considered complete until payment is processed. A detailed confirmation will be emailed to you.

FAX OR MAIL

Register for the Annual Meeting and sign up for ASHT membership by faxing the registration form to 856-439-0525 or mailing to:

ASHT Registration
Attn: ASHT Meetings Staff
1120 Route 73, Suite 200
Mt. Laurel, NJ 08054

Please be sure all information is complete and legible including name, address and credit card information. Requests without payment will not be processed.

PAYMENT

Acceptable payment forms include:

- Checks made payable to ASHT (drawn on a U.S. bank in U.S. dollars)
- VISA, MasterCard and American Express

Full payment must accompany all registration forms. Registration forms without full payment will be returned for completion. Registration will not be processed without payment. No cash is accepted.

CANCELLATIONS / REFUNDS

To cancel your registration and receive a refund, a written request must be received in the ASHT office on or before **September 29, 2026**. Cancellation requests received by this date will receive a refund less a \$50 processing fee. Should a government advisory or any other decision by the meeting venue or ASHT prevent this meeting from taking place in person, your registration fee will be refunded in full. Attendees should check their individual airlines for specific cancellation/refund policies. ASHT will not be responsible for any airline or hotel cancellation or change fees. There will be no refunds issued for requests received after **September 30, 2026**. Please forward written requests to meetings@asht.org.

Please visit <https://meetings.asht.org> to download a registration form or register online for the meeting.

Early Bird and Standard rates will apply through the listed deadline at 11:59 PM Eastern Time.
